WEST CAMPUS: SHAKESPEARE/TROY

The Wellness Community is a 40-bed residential community for first and second year students.

The Wellness Community provides opportunities to explore what works best for you to support your overall wellbeing.

Through social events, community gatherings and guided activities, you will develop the knowledge and skills necessary to make a positive impact on your personal health, the health of your communities, and the health of the planet.

The Wellness Community is a vibrant, engaged community that provides opportunities to explore different ways to strengthen your overall health and wellbeing skills.

Centrally located next to the Rec Center and the UConn Bookstore
